Hello Travellers !

Nice to meet you, Thank you for your interest to our project.

We are looking for creative, active people who want to do something good for the world. Your most welcome to join us as Assistant Director / Camera Person/ DOP / travellers /we need your full support and to be part of our team.

We have done our first shooting schedule already with 10 country travellers now we have more than 30 countries and right now we making preparations to promo campaign for fundraising. You can support us in marketing too channel dealing festivals etc. The second schedule we plan to shoot during traveling from June to October 2018. Travellers join us voluntary, as it is a documentary project. It's opportunity to get a new interesting experience adventures and create something good for humanity.

"We Are Travellers"

In the film with the help of our traveling team we will play way of life. As if one mountain is life and travelers will depict this life. Hiking in the mountains (life) there are many challenges on the way, but all travelers helping each other on the way peacefully, not fighting. This means that we are all one family, the world is our home and we are all just travellers who pass this mountain (life). So let's go together as a family, hiking the mountain (life) peacefully.

We are looking for people of different nationalities, with different traditions and cultural values. In order to show that in spite of the different appearance, religions, etc. Is their mind and soul want the same - peace and love. Also these travel documentaries series will remind you to pay attention to your inner world and restore there own inner peace. It's a message to all international politicians and every human being.

Traveller in the hiking-traveling group, it's a story about Traveller who want to go everywhere in this world freely. We are traveller's project, which deals with the topic of Peace No border.

We will start our journey from Delhi and travel to Kashmir Ladakh Mointain Himanchal Pradesh, Central Himalayas Uttarakhand , Nepal, Tibet and Bhutan.

We will spend some time in cities, villages' area; will travel by foot, by car, by bus. During journey, we will make film according to subject based and most importantly, have fun. With this project, we can learn that people can travel together whilst doing a lot of beautiful things for the world. And we can find that participating in a project is a really awesome way for someone to immerse themselves in experiences we usually would never have the opportunity to enjoy, and find a unique way to do something you have always wanted to achieve, and see what is going on in the world that you never have seen before.

You are welcome to see truly beautiful nature and Himalaya Mountains and to get different experiences if you wish. For getting a truly authentic experience we will stay in village areas, it gives us to feel the rustic ambiance and explore the culture, tradition and try lifestyle of villagers, homestays with local families giving you the opportunity to interact directly, to learn about their life and culture, and they about yours. In this way the cultural exchange as well.
